Please RSVP to: www.garlandpr.com

8:00 am – 8:30 am ● Continental Breakfast

8:30 am – 9:30 am Mark M. Davidson, MD, QME

Gastroenterology in Workers' Compensation

This presentation will focus on the causes of gastric complaints and the reasons why a GI consult is necessary to provide substantial medical evidence to substantiate a claim of gastric injury and impairment. The discussion will include a review of the diagnostic tests required to provide an accurate diagnosis and basis for any potential impairment.

9:30 am - 9:40 am ● BREAK

9:40 am – 10:40 am Yassi Zarrin, PsyD, QME

Workplace Violence

Learn the warning signs and issues to acknowledge for angry employees. Discussion of workplace violence in the work environment. Learn about policies that can be utilized to minimize the dangers.

10:40 am - 10:45 am ● BREAK

10:45 am – 11:45 am Robert B. Weber, MD, QME

Cardiovascular Disease and Metabolic Syndrome

Review of the anatomy of the heart, and how it functions. Discussion of the most common cardiac claims in workers' compensations, and the AMA Guides 5th Edition impairment tables for rating cardiovascular disease. Learn the signs and symptoms of Metabolic Syndrome and how it might apply in a Workers' Compensation case. Treatment recommendations for Metabolic Syndrome will also be discussed.

11:45 am – 12:30 pm ● LUNCH

12:30 pm - 1:30 pm Lazaro Alonso, MD, QME

Understanding Diabetes from a Workers' Compensation Perspective

This lecture will cover the medical legal issues of causation of diabetes, aggravation of pre-existing diabetes, whether apportionment is applicable, and the long-term consequences of failing to treat this disease. Questions of whether an employer has to assume the responsibility for covering future medical care and whether an impairment rating based on the AMA Guides 5th edition is applicable to this disease will also be covered

1:30 pm – 2:30 pm Steven Green, Esq.
Kegel Tobin & Truce

Case Law Update 2019: Discussion of important case laws that have been decided from October 2018 to present date in 2019.
